

For all skin types

Skinvisibles®
INVISIBLE SENSE
Spray SPF50+ | 200ml

TRANSPARENT SUN PROTECTION SPRAY
with Wet-Skin Technology

Ultralight invisible sun protection spray for body and face for all skin types.

The **INVISIBLE SENSE SPRAY SPF50+** is a transparent body and face sun protection spray with Wet-Skin Technology.

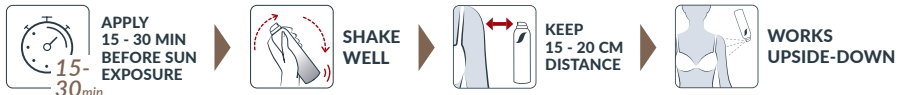

The formula is characterized by the following key points:

Our **S·A·F·E** promise

- S** **SCIENCE:** Wet-Skin technology for an invisible protection also on wet skin.
- A** **ACTIVES:** Extra-broad innovative UVB and UVA protection. With a gentle fragrance.
- F** **FEELING:** Ultra-light feel. Rapid skin absorption without residues.
- E** **EFFICIENCY:** Protects against signs of premature skin ageing. Works excellently as primary protection and to refresh protection during the day. Dermatologically tested.

SUN PROTECTION

IN EUROPE IN THE PROFESSIONAL CHANNEL*

* Comparison with UV protection products as of December 2025 of competitive brands Babor, Grandel, Sothys, Phytoderm, DMK, Dr. Baumann, Janssen, Guinot, PCA Skin, IS Clinical, Mesoestetic, Neostrata, QMS. Hybrid defined as Zinc Oxide and Titanium Dioxide content combined must be equal or higher than content of chemical UV protection filters in the formula.

For all skin types

Skinvisibles® AQUA SENSE HYALURONIC Fluid SPF50 | 50ml

ULTRALIGHT HYDRATING DAILY UV DEFENSE FLUID with Hyaluronic Acid

Moisturizing, ultralight daily UV protection fluid with **moisture booster** (with hyaluronic acid) for noticeably more moisture for all skin types.

This formula is a specific daily sun protection with Pro-Layer Technology for **skin that needs moisture, elasticity, and firmness.**

The formula is characterized by the following key points:

Our S·A·F·E promise

- S** **SCIENCE:** Pro-Layer Technology ensures that all previously applied products on the skin bond very well together and do not cause any abrasion/pilling effect.
- A** **ACTIVES:** Extra broad, innovative UVB, UVA II, UVA I, and blue light protection. With a high-quality hyaluronic complex and Swiss Alpine water. **Fragrance-free.**
- F** **FEELING:** Moisturizing and gentle. Cream-to-Water formula: Creamy consistency transforms on the skin into a watery, quickly absorbing texture without any residue.
- E** **EFFICIENCY:** Protects against signs of premature skin aging, prevents sun spots. High-quality **hyaluronic complex:** For noticeably more moisture – recommended for fine lines, loss of volume/elasticity, dehydrated, and sensitive skin. Dermatologically tested. Works perfectly as a primer under makeup.

Application

For all skin types

Skinvisibles® EVEN SENSE Fluid SPF50 | 50ml

ULTRALIGHT SPOT & SKIN TONE CORRECTING DAILY UV DEFENSE FLUID with Niacinamide

Moisturizing, ultralight daily UV protection fluid with **Niacinamide** (refines pores, prevents the formation of sun-related spots) for an even complexion for all skin types.

This formula is a specific daily sun protection with Pro-Layer Technology for **customers with hyperpigmentation.**

The formula is characterized by the following key points:

Our S·A·F·E promise

- S** **SCIENCE:** Pro-Layer Technology ensures that all previously applied products on the skin bond very well together and do not cause any abrasion/pilling effect.
- A** **ACTIVES:** Extra broad, innovative UVB, UVA II, UVA I, and blue light protection. With **Niacinamide** and **Swiss Alpine water.** **Fragrance-free.**
- F** **FEELING:** Moisturizing and gentle. Cream-to-Water formula: Creamy consistency transforms on the skin into a watery, quickly absorbing texture without any residue.
- E** **EFFICIENCY:** Protects against signs of premature aging, prevents the formation of sun-related spots. The high-quality active ingredient **Niacinamide**, with regular use, can help even out skin tone and prevent signs of hyperpigmentation, reduce skin blemishes and acne, visibly shrink enlarged pores, and diminish fine lines and wrinkles. Dermatologically tested. Works perfectly as a primer under makeup.

Application

Skinvisibles®
GLOW SENSE Fluid
 SPF50 | 50ml

RADIANT ULTRALIGHT DAILY UV DEFENSE FLUID with Mica

Moisturizing, ultralight daily UV protection fluid with a **glow effect** for all skin types.

This formula is a specific daily sun protection with Pro-Layer Technology for **customers desiring naturally radiant skin**.

The formula is characterized by the following key points:

Our **S·A·F·E** promise

- S** **SCIENCE:** Pro-Layer Technology ensures that all previously applied products on the skin bond very well together and do not cause any abrasion/pilling effect.
- A** **ACTIVES:** Extra broad, innovative UVB, UVA II, UVA I, and blue light protection. With **natural glow pigments** and **Swiss Alpine water**. **Fragrance-free**.
- F** **FEELING:** Moisturizing and gentle. Cream-to-Water formula: Creamy consistency transforms on the skin into a watery, quickly absorbing texture without any residue.
- E** **EFFICIENCY:** Protects against signs of premature aging, prevents the formation of sun-induced spots. The **natural, light-reflecting pigments** give the skin an instant glow. Dermatologically tested. Works perfectly as a primer under makeup.

TRANSPARENT SENSE
 Sunscreen SPF50+ | 50ml

TRANSPARENT REGENERATING DAILY UV DEFENSE with Centella Asiatica

Transparent, daily UV protection sunscreen with **Centella Asiatica** for dry and sensitive skin.

This formula is a specific daily sun protection with Pro-Layer Technology and has a **silky, nourishing finish**.

The formula is characterized by the following key points:

Our **S·A·F·E** promise

- S** **SCIENCE:** Pro-Layer Technology ensures that all previously applied products on the skin bond very well together and do not cause any abrasion/pilling effect.
- A** **ACTIVES:** Extra broad, innovative UVB and UVA protection. With **Centella Asiatica extract** for the regeneration of dry skin prone to feelings of tightness. With a gentle fragrance.
- F** **FEELING:** Transparent formula: Transforms on the skin into a silky, nourishing, and gentle texture without sticky residues.
- E** **EFFICIENCY:** Protects against signs of premature skin aging, prevents the appearance of sun-induced spots. The **high-quality Centella Asiatica extract** helps dry skin prone to feelings of tightness to regenerate. Dermatologically tested. Works perfectly as a primer under makeup.
